seminar

HOST CHURCH INFORMATION

WORSHIP *seminar*

By even considering hosting the Worship Seminar your church is already demonstrating that you understand the priority of worship. Worship is not just a side issue. It is primary. A church that recognizes the importance of worship will be strong.

This powerful seminar provides an uplifting forum of practical teaching. Through scripturally-based information people from all walks of life will be led into a deeper relationship with the Lord Jesus.

Attendees will be encouraged with insights from the Bible and from practical experience. They'll be inspired with a fresh look at God's plan for congregational worship, His design for a praising heart, and the importance of a devoted lifestyle. They'll also gain a new appreciation of the place of the ministry of worship in the Kingdom. The seminar will equip them to reach toward their full potential in their service to God.

The seminar is motivating. It's practical. It's supercharged with the Word of God for our lives. Through it the Holy Spirit fills us with His desire to grow in Him as His co-laborers!

How It Works

Through experience we have developed an efficient procedure for conducting each seminar without overloading the host church with work. We see it as a partnership in which our united efforts can have a major impact in your region.

Publicity and Incentives

We have created materials that we send to area churches and individuals. These materials are designed to generate attention within the community and maximize attendance.

We will combine your mailing list and other mailing lists to invite your region to this exciting seminar. Since it is so vital that we work together to host this event, we have established an incentive program allowing your church to reap the benefits from a successful turnout.

- 100 paid registrants — 10% refund of registrations
- 150 paid registrants—10% refund of registrations plus \$100 certificate toward T.R. resources
- 200 paid registrants—150 registrant incentives plus travel expense waived (maximum amount to be waived: \$300)
